FROM UPPERCLASSMEN

KATHERINE FREEMAN
SENIOR, MATERIALS SCIENCE
ENGINEERING & MATHEMATICS

"Be confident in yourself, your abilities, and your ideas. Go after your passions and take time for you. What you will find in yourself and in your peers will shape you in ways you could never imagine. So don't hesitate, and go for it!"

GRANT DO
SENIOR, BUSINESS ADMINISTRATION

"Take advantage of every opportunity that comes your way. Both networking and involvement definitely help shape your future and you as a person. State has so much to offer - take the lead with the Pack!"

JOSHUA HOLDER
JUNIOR, BIOLOGICAL ENGINEERING

"Dive headfirst into the culture and history of NC State, seek out your interests, and most importantly, enjoy the time you spend here as a student."

LERATO TSOTESI
SENIOR, FASHION & TEXTILE MGMT.

"Every moment on campus is a learning experience. Whether it's involvement with a student organization, an exchange with a professor or professional, or a class gone wrong; make sure you relish each experience and take something from it. It is these experiences that will help you grow into a better student, leader, and ultimately, a better member of our society."
