## NEW STUDENTS GET CRASH COURSE IN ALL THINGS WOLFPACK

*Thanks to the Class of 1911, which banned freshman hazing, students need not worry about being harassed.* Instead, new and returning students can look forward to Wolfpack Welcome Week. WWW begins with move-in as more than 6,500 students set up their space in 20 residence halls. For new students, the first week concludes with the Service NC State blood drive, IRC's Silent Disco and Packapalooza.

At events like Campus Crawl, students visit with leaders of student organizations and discuss how to get involved on campus. Officials from colleges provide new students with tips on how to be successful in their college classes. Students can get free food, play games and learn about student organizations.

University Recreation hosts RecFest, where students can explore the opportunities University Recreation has to offer students during the year.

### GROUPS WITH WELCOME WEEK ACTIVITIES:

New Student Programs, Alumni Association, University Recreation, Division of Academic and Student Affairs, NCSU Bookstores, Parents Fund, Student Leadership & Engagement, University Dining, University Housing, Wolfpack Club

One of the largest events of WWW is Packapalooza. The campus-wide Welcome Week festival, street fair, and concert brings big-name artists to the University for students to enjoy at the end of their first week on campus. This all-day block party and street festival caps off WWW and includes great music, activities throughout the day, and fun entertainment for the whole family.
