WOLFPACK EXPERIENCES VICTORIES TOO WHILE ROAMING THE LAND

Since not all athletic events are at home, all 23 varsity teams must travel near and far to compete. From a football game at East Carolina University in Greenville, N.C., to the women's basketball Beach Classic in Long Beach, Calif., there are usually student tickets available for away games. All sports' schedules are available online at gopack.com.

Tickets for championship and bowl games are also usually available for students, though transportation is not typically provided. Howev-

er, when the football team played at the Champs Sports Bowl in Orlando, Fla., in 2010, Student Government funded two buses for students to get to the game.

Around 4,000 students participate in the Student Wolfpack Club and are provided with the opportunity for the best seats at bowl and championship games.
