welcome and **congrats**

IN THE SPIRIT OF THE PACK, A WARM WELCOME FROM DEBBIE YOW

On behalf of all our coaches, staff and student-athletes, I congratulate you on becoming a member of the Wolfpack family. Many of you have cheered for the Pack since the time you could talk. Others may have never seen a State athletic event. Our goal is that by the time you earn your degree, you're a proud alum as well as a life-long fan.

NC State has a rich and storied athletic tradition. We compete in 23 varsity sports, and our goal is to compete for championships in each one. Our coaches and administrative staff work tirelessly to make sure that our student-athletes are given every opportunity and resource to be

successful in the classroom and competitively.

The Wolfpack has THE most passionate fan base in the country, and our students are an important part of that group. The athletics department is continuously thinking of ways to improve the student experience at our events and to make sure that YOU have terrific seats.

Admission to all NC State athletic events is free to students in appreciation for your fee. All of our teams rely heavily on student support for their success because you cheer so loudly, encouraging the teams to do their best.

In the spirit of the Pack,
