a night of **dueling djs**

THE MOST FUN YOU WILL EVER HAVE IN COMPLETE SILENCE

In 2010, the Inter-Residence Council hosted NC State's first Silent Disco during Wolfpack Welcome Week. More than 500 students attended to dance, listening to dueling DJs through wireless headphones.

In 2012, the event had 1300 students in attendance, once again, breaking the U.S. record for the largest silent disco. IRC partners with other campus organizations, including Stu-

dent Government, the Union Activities Board and GLBT-Community Alliance to bring Silent Events to campus during the first week of classes.

NC State remains one of the most consistently successful Silent Events in the nation. Silent Events provides the headphones and technology needed for the silent dance party. One of the best part of Silent Disco is the fact that its completely free. All you need is your student id and you can join in all the fun.
