STUDENTS GIVE BACK TO THE UNIVERSITY TO HELP ENSURE OTHER STUDENTS SUCCEED

Over the past 100 years, hundreds of thousands of dollars have been raised through the Senior Class Gift program, enriching countless student experiences. Philanthropic gifts to NC State have made a huge impact on the university and helped propel it into the state-of-the-art institution that it is today.

Every year the senior class is invited to make a personal gift to the university to show their appreciation for the opportunity and privilege

of attending NC State. Areas and programs across campus such as the libraries, colleges, arts, scholarships and student affairs have benefited and improved from the Senior Class Gift program.

You will directly benefit from the gifts made by former students and the Wolfpack family. It is your job as a senior to keep the tradition alive! Give back to the area that has impacted your experience the most to ensure that future students have the same opportunities.

Keep track of your most memorable programs, classes or experiences throughout this journey!
