# diversity is our strength

## SHOWCASING THE UNITY BETWEEN STUDENTS OF DIFFERENT BACKGROUNDS

*Diversity is what makes our lives rich and helps to create a culture that values empathy, respect, tolerance, and equity for all.* The Gay, Lesbian, Bisexual, and Transgender (GLBT) Center, the GLBT-CommUnity Alliance, and Student Government have partnered to create a visible way for members of the NC State community to show their support for diversity by wearing an I <3 Diversity t-shirt. You do not want to miss getting your t-shirt during Diversity Education Week in the fall, typically in October.
